Hi ICCO Global Summit 2026 Delegate,

We look forward to welcoming you to the **ICCO Global Summit 2026**, taking place from **11–13 November 2026 (Wednesday to Friday)** at **nhow Milano** in Milan, Italy.

As you prepare for the Summit, here are a few useful details to help you plan your visit and make the most of your time in Milan.

**Before You Travel**

- **Flights and accommodation:** We hope your flights are booked and your hotel accommodation is confirmed. If you are travelling from outside Italy, please ensure that your travel documents and any necessary visa arrangements are in place.
- **Getting to the hotel:** From Milan Malpensa Airport or Milan Linate Airport, we recommend arranging a taxi or private transfer to nhow Milano. You can find the hotel's location and directions on Google Maps.
- **Explore Milan:** If you have some free time before or after the Summit, Milan offers plenty to explore, from its iconic architecture and cultural landmarks to its restaurants, shopping streets and vibrant neighbourhoods.
- **Essentials:** Remember to carry your mobile phone charger, power bank and travel adapter. November in Milan will be cold, so we recommend bringing a warm jacket and comfortable shoes. Conference rooms may also be air-conditioned, so an extra layer is useful.
